

SUMMER SEMESTER 2024

Normally, in each module there are 10 ECTS in sum for the winter and summer term. You may, however, reduce the workload in one or more modules to 9 or at least 8 ECTS in return for earning more ECTS in the remaining modules. Winter and Summer School together count for 10 ECTS.

This document contains a list of obligatory and suggested courses. You can also search for further courses in the Online Course Directory: <https://ufind.univie.ac.at/en/index.html>

There is in particular a wide range of courses in German language.

However, please be aware that in case you find interesting courses which are not on this list, you have to check with me and the course lecturers if your participation as an EMGS student is possible. Please keep in mind that only courses which are (also) open for master studies and/or are assigned to an “Extension Curriculum” can be credited and NOT courses which are exclusive for bachelor students. You can find this information at the bottom of any course detail page under “Association in the course directory”.

Please also read our instruction carefully: <https://global-studies.univie.ac.at/course-registration/>

In any case, you are eligible to take courses from the Master Global History and Global Studies – please have a look at the online course directory for this study program:

https://ufind.univie.ac.at/en/vvz_sub.html?semester=2024S&path=301467

Online registration for all courses

(before semester start, online for every course at the Website of the respective Study Program (SPL), watch deadlines); if you missed registration, reach out to the professors teaching your course.

- VO (lecture course): no limit of participants. You also have to register for the exam.
- SE, KU, GR, PS, EXK (courses for a limited number of actively participating students): please be aware that courses from other departments often limit participation for students from other disciplines.

Teaching Language: English (unless other languages are noticed)
